British Riding Clubs and the Organiser of this event have taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organiser and all the officials and stewards.

Save for death or personal injury caused by negligence of the organiser(s) or anyone for whom they are in law responsible, neither the organiser(s) or British Riding Clubs to which these rules apply, nor any agent, employee or representative of these bodies accepts liability for any accident, loss, damage, injury or illness to horses, owners, riders, spectators, land, vehicles, their contacts and accessories, or any other person or property whatsoever, whether caused by their negligence, breach of contract or in any other way whatsoever.

General Rules

1. All classes will be run in accordance with the **2022 British Riding Clubs Rule Book**.
2. For eligibility of horses, riders and specific rules for the competition please see the 2022 British Riding Clubs Rule Book. **Please note that it is the responsibility of the Team Managers and Team Members to be fully aware of the competition rules including permitted tack and the dress guidelines.**
3. Horses/ponies must be 5 years and over on 1st January in the current year.
4. No horse/pony may compete in more than one section at the Area Qualifier or the Championships.
5. Protective headwear, to BRC standards, must be worn at all times with the harness correctly adjusted and fastened. Protective headwear must show a visible BRC hat tag. Hat tagging will be available at the qualifier.
6. Body protectors are compulsory for the cross country phase. **A BETA Level 3 displaying a 2009 or after Purple label or a 2018 or after Blue label must be worn.** If a rider chooses to wear an airbag style body protector it must be worn over a permitted body protector.
7. Medical Armbands are strongly recommended for the cross country phase. If worn they must be on the arm and not on the leg.
8. It is the Team Manager's responsibility to ensure that their members are ready for their allocated time. Failure to do so could result in disqualification.
9. Please notify any changes to original entries prior to the day but substitutes are allowed upto 30 minutes before the start of the class.
10. Vaccination Certificates will be pre checked before the day of the qualifier. Send to area20liaisoncommittee@gmail.com
11. Each competing Club is required to provide stewards to enable the competition to take place. Failure to provide stewards may result in your Club not being allowed to compete.

Stewards

- This competition cannot run without Stewards, therefore, all clubs competing are required to nominate FOUR people who are each prepared to help for the day. Failure to provide stewards and if stewards fail to make themselves available on the day their Club may not be allowed to compete.
- **ALL STEWARDS MUST BE 18 YEARS AND OVER.**
- Stewards are likely to be allocated to fence judge at this event and therefore will need to arrive approximately 45 minutes before the start of the competition for the safety briefing and will need to stay for the duration of the full competition. Please therefore ensure they are aware of this before submitting stewards' names.
- Please ensure stewards are not also performing other roles that will take them away from their allocated task.
- Please return the slip on next page with entries. Area 20 entries will **NOT** be accepted without stewards' details.
- Details of stewards' roles will be advised directly or via the Team Managers.
